EDITOR'S NOTE

Hello and welcome to this (slightly slimmer than usual) October edition of the Clyst Valley News. As I write, summer is resolutely refusing to give way to autumn and we're experiencing some glorious sunny spells. Long may they last!

Our best wishes to our Vicar, Rev'd Bill Lemmey, who is unwell, for a speedy recovery. He hopes to be back in business next month.

My warm thanks to Gordon Haime from Ebford for this month's very cute cover photo taken at Darts Farm. Very clever piece of artwork.

Well, it's that time of year again when we ring the changes and try to get back into gear as we slowly bid farewell to the lazy, hazy days of summer: we're back from our hols (at least, some of us); the kids are starting or going back to school; we're digging out the jumpers and sweatshirts from the recesses of our wardrobes; we're (at least) thinking about airing those higher tog duvets; the sandals are going back on the shoe racks; we're checking the heating system is still working; we're planning the last lawn mow of the season; the nights are slowly drawing in; and we're moving – seamlessly, it seems – into our autumn/winter routines.

Having lived in a number of countries where seasons barely exist, where the whole year is a long, drawn-out coping strategy with serious heat and humidity, I now greatly appreciate being settled in a part of the world where there are four quite distinct, largely mellow, seasons, each with their own particular features and challenges. That continuous cycle of

change I find exhilarating and energising. It's our responsibility to ensure that we don't enable climate change to destroy all of that for the generations to come.

Here's a nice quote to end with from Charles Dickens: 'Nature gives to every time and season unique beauty; from morning to night, as from the cradle to the grave, it's just a succession of changes so soft and comfortable that we hardly notice the progress.'

Enjoy the magazine and don't forget to put your clocks back before you go to bed on Saturday 30th October.

Best wishes. Peter Skelton

~~~~~ **YOUR PHOTOS ALWAYS NEEDED FOR THE COVER OF THE CVN!**

There must be a lot of photographers out there snapping away around our villages. After all, our neck of the woods is rather photogenic. Why not share your results with our readers? Most months we aim to put one nice pic on the magazine cover and we need yours! So please do send in your efforts to the editor, Peter Skelton, who will choose one each month. Try to use relatively high-definition settings but that's not a must. Just email them across to clystvalleynews@gmail.com and we'll do the rest. Simples!

~~~~~ **SUBSCRIBE TO THE CLYST VALLEY NEWS NOW! IT'S COMPLETELY FREE!**

If you'd like to receive your own copy of the CVN (in full colour!) direct to your email address every month, completely free of charge, all you have to do is email the Editor, Peter Skelton, at clystvalleynews@gmail.com with the following message: 'I am happy to receive the Clyst Valley News at this email address once a month. I understand that the CVN will not pass on my email address to any third party without my written permission.' Please do sign up! You can cancel at any time. Thank you.

~~~~~ **WHY NOT ADVERTISE IN THE CLYST VALLEY NEWS?**

All our advertising slots for this year are now filled but if you are interested in advertising your business or organisation in the Clyst Valley News in 2022, do please get in touch - with no obligation. Please contact the Editor, Peter Skelton, at clystvalleynews@gmail.com or on 01392 879857.

~~~~~ **CLYST ST MARY**

Clyst St Mary Church

Please see the October rota of services at the end of the magazine; we will not be offering private prayer arrangements for the time being.

Our Family Services are moving to the first Sunday in each month, so the next Family Service with Breakfast will be on 3rd October, starting at 9.30 am. These are very informal gatherings for parents and children, lasting no more than an hour (including

breakfast!) so that you have the rest of the day for other family activities. We welcome new families who would like to bring their children to join us in these services.

The Holy Communion on Sunday 17th October will be our Harvest Service and will start at 9.30 am as usual. Please contact the Churchwarden Pat on 01392 877907 for more information.

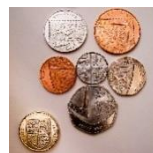

Church Coffee Mornings

The regular coffee mornings restarted last month and we were pleased to welcome old friends and a few new faces. The October coffee morning will be held on Saturday 10th

October from 10 to 11.30 am in the church. We look forward to welcoming you there again. All the usual stalls; contributions for the cake and produce stall will be much appreciated.

Coppers!

Shopping online means that there is not a lot of small change about but if you do have any that is weighing your pockets or purses down, it will be gratefully received in support of church funds. Either leave it in church at a service or with me, Don Axford, at 34 Frog Lane. Although I am no longer Church Treasurer, I am still willing to collect your loose change. If you find it difficult to deliver, I will collect, obeying social distancing rules, etc, if you ring me on

01392 873615.

Church Cleaning

Now that the church is being opened again, we are looking for volunteers to help with cleaning. It would involve about two hours of your time about every two months. If you feel you could help in this way, please contact Don Axford on 01392 873615.

Bishops Clyst Parish Council

Greenspire to Clyst St Mary Village Footpath. A planning application has been submitted to EDDC for the construction of the footpath. The Parish Council solicitor is in touch with solicitors acting for the other parties and is also dealing with Land

Registry.

Welcome Cllr Martyn Hudson. The Parish Council is delighted to welcome a new member from the Cat and Fiddle Park. Martyn has been a resident for seven years and active on the Residents Association Committee for four years.

Parish Council Vacancies – Environmental Champion Required! There are still vacancies for Parish Councillors on the Bishops Clyst Parish Council. If you would like to represent the residents of Clyst St Mary and Sowton Village on the Parish Council, we would very much like to hear from you. We are particularly keen to recruit someone with an interest in the environment to be our Climate Change/Green Champion. If this appeals to you, or you have other areas of interest, please email our Clerk, Karan Bennett, at bishopsclyst@gmail.com, with a personal statement setting out what skills and experience you would bring to the council.

Parish Council Meetings. Parish Council meetings take place each month and dates, agendas and minutes are posted on our website (<http://www.bishopsclyst.org.uk>) and on noticeboards in Clyst St Mary and Sowton Village.

Launch of the Neighbourhood Plan Review. Bishops Clyst Parish Council has decided that it is time to consider refreshing our Neighbourhood Plan. The current Plan has been in force since March 2017. A new Local Plan for East Devon is under preparation and the planning system is changing. Time is right to consider the relevance and role of the Bishops Clyst Neighbourhood Plan.

The Parish Council has commissioned a review of the policies in the current Plan, to ensure the Plan will continue to be relevant over the years ahead and influence local land use planning decisions in the best interests of the parish and its inhabitants.

Part of the review is a local assessment of the necessity for new development and its likely impact. Elsewhere in this edition of the Cyst Valley News is a 'Call for Sites' notice. We are asking local landowners if they have land they would like to put forward for development.

Importantly, everybody in the parish will be asked about the type and scale of development that is appropriate for our rural area. A community questionnaire will be available online and from Mills Stores, Sowton Church and the Cat and Fiddle Inn from 1st October 2021. Please look out for it and have your say.

If you would like to be a part of this group of local people helping the Parish Council to review our Neighbourhood Plan, please email bishopsclyst@gmail.com or write to Bishops Clyst Parish Council, The Village Hall, Clyst St Mary, EX5 1AA or telephone 01392 874405.

Contact the Parish Council. Karan Bennett, PC Clerk, working from the PC office in Clyst St Mary Village Hall on Monday to Wednesday, 9 am to 1 pm. Call 01392 874405 or email bishopsclyst@gmail.com.

Clyst St Mary Flood Defence – Environment Agency Update October 2021

Works to install a new flood defence in the area have been challenging but we are happy to say that in the coming weeks we will be nearing completion of the scheme, providing defence to numerous properties within Clyst St Mary from the ever-growing threat of river flooding for many years to come.

In the coming weeks we will finish installation of our king post wall and installation of a stop log structure at the northern end of Frog Lane. From this point our construction team will begin pulling out of Clyst St Mary before returning with a small welfare unit to complete brief works to install the stop logs on the mediaeval bridge. This will complete the flood defence scheme and works in the area.

We'd like to thank the people of Clyst St Mary for their patience and understanding during these works and are happy to be able to provide this new flood defence to further protect properties in the coming years.

Clyst St Mary Village Hall

It's a great pleasure to see that the bookings for the Village Hall are again building as hirers find that they are able to operate within the guidelines particularly given that the Hall is spacious and can be well ventilated. Our new website <https://www.clyststmaryvillagehall.co.uk/> gives

details of availability and prices but if there's anything else you'd like to know, please drop Ali West an email on: bookings@clyststmaryvillagehall.co.uk. We look forward to seeing you soon.

Clyst Valley Pre-School

Clyst Valley Preschool has remained open throughout the pandemic for all our children and is now full at almost every session. We are currently taking applications for September 2021 and beyond with sessions available on every day. Sadly we are not yet able to hold open days or taster sessions but hopefully this will change as lockdown is eased and things return to a new normal! To apply, or for more information, check our website www.clystvalleypreschool.org. You can also call us on 01392 876615 or email us on manager@clystvalleypreschool.org.

BISHOPS CLYST NEIGHBOURHOOD PLAN

CALL FOR SITES

A formal Site Assessment will be undertaken for any site submitted and does not necessarily mean that the site will be included in the final plan.

Please email bishopsclyst@gmail.com, for an 'Expression of Interest' form.

CLYST ST GEORGE AND EBFORD

Clyst St George Church

Please see the October rota of services at the end of the magazine; and contact Jacquie Manser at jacque@jmanser.co.uk for more information.

CSG Parish Council Chairman's Notes, October 2021

At the September meeting we co-opted Isobel Stubbs to the Parish Council and I look forward to her contributions to our discussions. East Devon's local plan update will be discussed at our next meeting; this will affect any proposed housing in our patch. Grass cutting around the parish was also discussed and the Councillors are not impressed by the performance of our contractor. We will be chasing them for an explanation. Ebford Lane is to be patched soon so there might be some disruption. Stay safe. All the best.

Norman's Weather Report

August rainfall here at Ebford was very low at only 34 mm (1½ inches); thundery showers passed us by, and this total fell during the first and third weeks of the month. Of course, the last week, including the Bank Holiday weekend, provided perfect conditions for holidays and harvesting: warm, sunny and no rain.

In terms of averages, this total was well below the last ten-year average of 82.6 mm here at Ebford. (However, only 37 mm fell in 2013.)

For students of such matters, the average for August between 2001 and 2010 was 46.4 mm. Annual totals are also increasing nationally and in my local experience. Norman Cann

Clyst St George Parish Hall

Clyst St George Parish Hall is open once more to anyone who wants to hire the Hall. We are not making the Ethel Cann Room available at the moment as it is too small to adhere to the social distancing rules. The Hall has been redecorated and is looking splendid.

There are hand sanitising units at strategic points in the building for the use of the hirers and hirers are asked to be responsible for making sure that they adhere to the government guidelines for holding gatherings in a COVID-safe way. Our cleaner will use PPE when working in the Hall and he has special cleaning fluids to make the area as safe as possible. We are confident we will resume the coffee mornings (see above), Big Breakfast and the quiz evenings, hopefully soon. Watch this space!

Nature Garden

Clyst St George has a delightful nature garden by the side of the parish church. The aim of the garden is to grow local Devon indigenous plants and trees and to encourage a Devon meadow with local wild flowers. Should you wish to help develop this 'green' facility, you can come along on the first Saturday of every month from 9.30 to 11 am. (PLEASE CHECK IN ADVANCE.)

Little Dragons Pre-School

We are pleased with the outcome of our Ofsted inspection in April 2018, where we were judged to be 'good'. We have now re-opened and have been operating at full capacity from September. We are based in Lady Seaward's School and open four days a week, from Monday to Thursday 8.45 am – 3.15 pm during school term times.

For more information please telephone Elly on 07939 995486 (in school hours), email littledragons@live.com or visit our website www.littledragonsclyststgeorge.com.

WOODBURY SALTERTON

Church Services

Please see the October rota of services at the end of the magazine; and contact the Churchwarden, Debbie Jung, on 01395 232328 for more information. The church will continue to be open for private prayer on Wednesdays, 3 – 6 pm and Saturdays, 9 am – 12 noon.

Harvest

The Harvest Thanksgiving Service will be on 3rd October at 9.30 am.

Monthly Coffee Mornings with Bacon Butties

From the start of October we revert to our winter pattern of church coffee mornings on the first Saturday of the month from 9.30 to 10.30 am. The October one will therefore take place on the 2nd and throughout the winter bacon butties will be served.

Quiz

My church quiz this year is entitled *Feathered Friends* and is all about birds. I plan to launch this towards the end of October. Entry forms cost £2 from me or from Lin Ashby in Woodbury or can be requested by email. Contact me at avmx79@dsl.pipex.com. Thank you. Katharine Wheeler.

Sale Trail

The weather held good for the stallholders who supported this event. Thanks to all who had stalls and those who patronised them. Here's a photo of

one of the stallholders, Mark and Averil Blaber.

Open Garden for Hospiscare

Gill and Patrick Bricknell opened their garden on August Bank Holiday Monday in aid of Hospiscare. There was a steady stream of visitors in both the morning and the afternoon, everyone enjoying being able to socialise as well as supporting this worthy cause. Gill was grateful for help from Ann Short and Biddy Lagus in the morning and from Glenys Clarke in the afternoon with serving tea and coffee. Thanks also to all those who made cakes. Some unable to attend sent donations, which brought the total raised to £600.80. A wonderful day enjoyed by everyone.

POETRY CORNER

A Lover's Lament

by John Smith (of Clyst St Mary)

Wecame to that place in silence
The stream of chatter at the start
Disappearing into the sands of feeling
That came to us both in wonder.

How long does a connection last?
Can it be measured in mere time?
I know only the bliss of understanding
The intensity of the feeling.

That exquisite timeless moment
Needed garrulous silence to live
So that our thoughts and feeling
Could be completely joined.

But it could not last for longer,
The intensity of the unspoken,
Too rich for the inexperienced
In the joining of spiritual lives.

When the inadequate words came
Spoken by both at once
And laughter with nervous surprise
To release us from the confusion.

And now I just want to return
To that place beyond the words,
Where breath-holding silence can say
That which we feel in our being.
©John Smith

AND FINALLY...

Making Good Use of Your Spare Time

September brings us around, once again, to another seasonal 'tipping point', the autumn equinox. As the evenings start to draw in, and the days slowly shorten,

now is the time to ask an important question: how to make the very best use of our spare time and energy as we switch focus from outdoors to indoors to indoors, from summer sun to autumn leaves?

For members of the Exmouth and District u3a Association, there are a host of handy answers to that key question readily available. Situated at the western end of the spectacular Jurassic World Heritage Coastline, beautiful coastal communities such as Exmouth Town, Budleigh Salterton, Topsham, and the surrounding villages, are home to a host of vibrant, successful, locally run, interest groups serving the leisure time and social needs of the local population. Here, right in the heartland of the East Devon community is a local, low-cost, social, friendly organisation that helps people who are retired, semi-retired, or no longer in full-time work, to make the very best use of their precious spare time and energy. The u3a offers all kinds of activity groups for all kinds of interests and passions. Whether your fancy is for something indoors or outdoors, cerebral or unashamedly active, there is an appropriate interest group here for you.

Founded in 1982 (and originally called the University of the Third Age), the u3a is a nation-wide organisation with one strategic vision or purpose - to encourage the creation and operation of independent, locally run, 'mutual aid' bodies that will

- support and facilitate life-long learning;
- help individuals stay active for longer;
- create opportunities for people to have fun whilst doing so.

Learn, Laugh, and Live is the u3a 'mission' and that is exactly what it delivers.

Clearly, the u3a movement, currently managed by The Third Age Trust, is getting something right. Across the UK there are around 1000 local u3a bodies, with over 450,000 members, delivering a wide range of high-quality leisure, recreational, and educational programmes. In Exmouth and Budleigh Salterton, for example, the Exmouth and District u3a has 850 members, about 100 operational interest groups, and yes, the list does actually start at A (art appreciation) and end with Z (Zoom short films). Meetings are held wherever appropriate, eg sport centres, halls, or people's own homes. Members draw on their individual knowledge and skills to teach and learn from each other. This is a volunteer movement that operates from the grass roots, meeting, organising, making things happen.

At the Budleigh Salterton Bowls Club, for example, a new u3a Bowls Group was formed this summer and currently has around 20 new members. Some have now joined the Club as full members, so this is clearly a win-win situation for the Bowls Club, the u3a, and the community.

So, if you are no longer in full-time employment and wondering what to do with your precious spare time, contact your local u3a, <https://u3asites.org.uk/exmouth/welcome>; there will be a warm and friendly welcome waiting for you. John D Smith

Let's Get to Business in Topsham in October

If you think Topsham is all independent shops, relaxing cafés and restaurants, and glorious Estuary views...well, you're right of course! However, there's a hidden and hard-working side to the town that's being showcased early in October at Love Topsham's first *Local Business Fair*. This is an opportunity for visitors as well as locals to see some of Topsham's entrepreneurs in action on

3rd October, both inside and outside of Matthews Hall, from 10.30 am until 2 pm.

Did you even know that our town boasts more enterprising business people than could fill a Dragon's Den? We're talking food-makers to reflexologists to bootcamp organisers to artists and copywriters - and many, many more. With exhibits, demonstrations and catering on hand, we're not expecting anyone to say 'I'm Out' to these businesses - instead you'll be keen to invest more time visiting the town when you realise how fascinating it is. More details as ever on www.lovetopsham.co.uk.

Now we know it's early but with people likely to plan Christmas a little more in advance this year - to guarantee that celebration that we couldn't really enjoy a year ago - we hope you'll make space for Topsham in your festive calendar.

Here's an overview of the Love Topsham Christmas festivities, starting on 26th November with the annual *Christmas Lights Switch On*. This will be the perfect start to your festive period,

kicking off at the town's Matthews Hall from 4.15 pm and concluding at the Quay.

Try to resist spending all your money that evening though - for on 30th November we have the *Topsham Late Night Shopping Evening* from 5 to 9 pm. As well as all of your favourite independent shops there will be a wonderful Christmas festive market in St Margaret's Church. This is an evening not to be missed and once again more details are on www.lovetopsham.co.uk. There will be more details next month about our Residents' and Shops' *Christmas Windows Competitions* as well as a new *Festive Trail* for children to enjoy - these will all be perfect for a walk when you're visiting the town in the festive season.

Finally, our regular reminder - you know what's coming! If you like what we do and how we do it, then get your own piece of the action by becoming a Love Topsham supporter. A stylish Love Topsham Card can be yours for just £3 a month, providing access to VIP events and discounts, and helping us keep the town vibrant and attractive. Details on www.lovetopsham.co.uk, of course. Have an Outstanding October - all the best from the Love Topsham team.

Monthly Giggle

A snail won the lottery. He went to a car showroom and wanted the fastest car in the showroom. He bought it and said that he wanted a big letter S painting on both front doors. The salesman asked why. The snail said, 'I'm going to drive past the pub, blow the horn, and when everyone sees that it's me, I'll wave to them and then bomb off down the road.' The salesman said, 'What ever for?' The snail said, 'Everybody will say, just look at that S car go!'

A pair of Martians landed on a country road on Earth in the middle of the night. 'Where are we?' one Martian asked. 'I think we're in a graveyard,' replied the other. 'Look at the gravestone over there - that man lived to be 120.' 'What's his name?' 'Miles from Bristol.'

Just got some international inside news (I have my contacts, dubious or otherwise...electrical sometimes). Seems the company in the USA responsible for making yardsticks is not going to make them any longer.

A scarecrow won an award because he was outstanding in his field...
