

Clyst St George Parish Council Consultation

The Parish Council has the opportunity to acquire two parcels of land:

Part of the field behind the Parish Hall and to the rear of Model Cottages and 'The Green' at the junction of Model Cottages and Woodbury Road

We are able to utilise S106 'planning funds' to transfer the land to our ownership. However, before the funds can be released East Devon District Council requires confirmation that parish residents support the acquisition of the land.

The Parish Council's intentions are as follows:

1. Acquire the land for the community to ensure it can continue to be used to celebrate both local and national events such as fetes and jubilees.
2. Improve access to the area by removing the stile.
3. Install welded mesh fencing to a height of seven foot to fence off the boundaries with Model Cottages, the Parish Hall car park and the far boundary.
4. Improve the quality of the grass by moving from pasture to a mix of grasses.
5. Enable Lady Seaward's school to have access to a grassed area for both recreation and sport
6. Listen to community suggestions with regard to land use

To facilitate the consultation process please tick one of the boxes below and return your completed form by 5th October 2023 either to the box in the Parish Church or to one of your parish councillors – details on parish website. Alternatively you may respond by email with a 'yes or no response' to clyststgeorgeparishcouncil@gmail.com

Please note that only votes received prior to the deadline of **5th October 2023** can be considered.

Do you support the Parish Council's plan to acquire the two parcels of land shown in the map overleaf?

Yes

No

If you have any suggestions as to how the land could be used please provide details below:
